

Bleed Area

Red line is the live area

All important elements and text must be inside this red line.
DO NOT place important text or images beyond this line to prevent trimming.

Green line is the trim line

This is where the finished product will be cut.

Finished Size: 2 x 6

With Bleed: 2.25 x 6.25

Extend art to the blue line if you want your design to extend to the edge of your final print.

Green line is the trim line

This is where the finished product will be cut.

Finished Size: 2 x 7

With Bleed: 2.25 x 7.25

Extend art to the blue line if you want your design to extend to the edge of your final print.

Bleed Area

Bleed Area

A vertical rectangular diagram illustrating print layout specifications. It features three nested rectangles: an innermost red rectangle, a middle green rectangle, and an outermost blue rectangle. A pair of scissors icon is located at the top left corner of the red rectangle. Arrows point from the text blocks to their respective lines: red arrows from the top text to the red line, green arrows from the middle text to the green line, and blue arrows from the bottom text to the blue line.

Red line is the live area

All important elements and text must be inside this red line.
DO NOT place important text or images beyond this line to prevent trimming.

Green line is the trim line

This is where the finished product will be cut.

Finished Size: 2 x 8

With Bleed: 2.25 x 8.25

Extend art to the blue line if you want your design to extend to the edge of your final print.
