

The diagram consists of a large white rectangle. A red line forms a smaller rectangle inside it, centered horizontally and positioned near the top. A green line forms the outermost boundary of the white rectangle. Two red arrows point from the text 'Red line is the live area' to the top corners of the red line. Two green arrows point from the text 'Green line is the finished product size' to the bottom corners of the green line.

Red line is the live area

All important elements and text must be inside this red line.
DO NOT place important text or images beyond this line.

Finished Size:4.125 x 9.5

Green line is the finished product size
